

Please note that the overall number of PSM inspections data were obtained from OSHA’s annual press releases on inspections conducted in the past fiscal year and refinery data was obtained by running an inspection search using the refinery NAICS code and seeing which inspections were coded as “CHEM NEP” in OSHA’s database.

<b>Year</b>	<b>2017</b>	<b>2018</b>	<b>2019 YTD to 8/30</b>
Total PSM inspections	133	231	No data
Federal refinery	8	8	15
State refinery	3 (12)*	5 (11)*	3 (7)*

\* Numbers in parenthesis indicate the number of CAL-OSHA inspections that were coded as “refinery”, but not “CHEM NEP”. The scope of these inspections is not known at this point.
